

KIDZ TIME 1

Craft: Child cuts a red and green circle out of construction paper. Parent or child, print "Stop" on the red square and "Go" on the green circle. Tape craft stick at the bottom of each to make a sign. After the activity, paperclip signs to this page so child can play the game again. **Activity/Game:** Play "Red Light, Green Light." Child stands across the room. When the parent holds up Green Light, the child moves toward the parent. When the parent holds up the Red Light, the child stops. **Teaching:** God is pleased when we obey and do and stop what He teaches us in the Bible.
