

KIDZ TIME 1

Craft: Child color or glue string or yarn on dotted "finish line" and "google" eyes. **Activity/Game:** Hang yarn or string in a hall or between two chairs to create a finish line. Ask child to run past the finish line to you after you say, "ready, set, go!" **Teaching:** Explain, "You kept your eyes on me when you ran to me. If you had looked behind you, you might have stumbled. God doesn't want us to stumble or fall. He wants us to keep our eyes on Him."
