

## The Dollar

Thank you for taking my dollar.  
It was mine to give to you.  
God placed on my heart to give it.  
So it was the right thing to do.

God gives us much more than dollars.  
He gives love and freedom from sin.  
If you've never asked forgiveness  
Today you could pray to Him.

Say the following prayer in sincereness  
Say it prayerfully from deep in your heart  
"Heavenly Father, I know I've done wrong."  
That's a good place to start.

If certain sins comes to mind  
Confess them one by one.  
Nothing you say will shock Him.  
He already knows what we've done.

After confessing your sins to the Father  
Look up and believe it's true  
This world didn't burst into place  
God made it for me and you.

So believe if He made our world  
That beyond the sky we see  
There's another place called heaven  
Where Jesus waits for you and me.

Thank Jesus for coming from heaven  
To bear our sins on the cross.  
Confess Jesus as Lord of all things  
Ask Him to be your new boss.

Start reading your Bible to know Him  
Enjoy freedom from sin and shame  
He loves and cares for you daily  
Begin each day with a prayer to His name.
