

I Am... But God, You Are

From *Pray with Purpose, Live with Passion*

I am weak... but You are the Almighty God who gives me strength and power.

I feel unloved... but You are God's Beloved Son, and I am precious to You.

I am discouraged... but You are the Comforter who encourages me.

I long for heaven... but You are the Door to heaven and I am in Your presence when I pray.

Life seems futile... but You are Eternal, and I have purpose when I am serving You.

I am unfaithful... but You are my Faithful, steadfast, and true wonderful Lord.

I am fearful... but knowing You are the Guardian of My Soul gives me peace.

I sin... but You are Holy and merciful and cleanse me when I come to you and confess my sins.

I feel alone... but You are Immanuel, God with me...always, no matter where I am.

I see injustice all around me... but it comforts me to know You are Just and will bring justice.

I am pulled by the world... but You are King of Kings, and I can live under Your kingdom reign.

Darkness surrounds me... but You are Light, and You light my way step by step.

I am down... but You are Majestic, and looking on You, Your splendor uplifts my spirit.

My old ways pull at me... but You are the God of New Life, and I am a new person in Christ.

I feel defeated... but You are the Overcomer, and You help me overcome through Christ.

I am out of shape... but You are the Potter and are molding me into the image of Christ.

I am dull... but You are the Quickening Spirit who revives, energizes, and guides me.

I am slipping... but You are Righteous, and have put me on the firm foundation of Christ.

I am under attack... but You are a Shield About Me, and You protect me.

I am vulnerable... but You are a Tower, and I can run to You and be safe.

My life is falling apart... but You are Uphold me with Your strong righteous right hand.

I am barren... but You are the Vinedresser who produces the fruit of Christ from my life.

I have no wonder-working power... but You are Wonderful and You do the extraordinary.

I am lowly... but You are exalted. I'm humbled in Your presence.

I can't go on... but You are Yahweh who tells me to look to You, Who was, is, and is to come.

I am complacent... but You, Lord, are Zealous and are passionate for me and to use me.
