Rub a Dub Dub Book Donation

Rub a Dub Dub is a children's book written by cancer survivor, Debbie Taylor Williams, an author, national keynote speaker and founder of Hill Country Ministries.

Having gone through chemotherapy, a lobectomy, radiation and ongoing treatment for non-smoker's stage 3 lung cancer, Debbie knows the value of comfort and encouragement and is gifting her book, *Rub A Dub Dub*, to children at Ronald McDonald Houses across America.

"Families love Rub a Dub Dub. Our moms especially love doing the hand motions with their children."

Molly Berg, Program Manager at RMH House Charities Greater Houston

HOW IT BEGAN

Having begun in Houston where Debbie was getting treatment at MD Anderson, *Rub a Dub Dub* books are now being offered and received by Ronald McDonald Houses across America.
